Media Catalog
Student
Quick Start Guide!

In your web browser go to:

```
Internal | Not secure | snap.moboces.org
```

Ask your school librarian for your school's username & password.

Enter your username & password here.

If your teacher gave you the title of a specific video enter it in the search box here and click Search button.

Option 1: Search for a specific video

If you are looking for a certain type of media to use for a project you can check one or more of the type boxes to filter search results to only those media types.

Option 2: Search for specific media type
